

Spring 2015 Confidential Test Irregularity Report

This form is intended only for parents, concerned community members, and school personnel who are concerned about ramifications from local reporting of a test security incident. **In most cases**, school personnel should follow the test security incident reporting procedures through their system test coordinator.

Instructions

Please complete the attached test security incident report.

- Any concern about breaches in test security, testing irregularities, and/or noncompliance with test
 administration procedures must be reported immediately to the school principal/authorized representative,
 System Test Coordinator, and OPI by phone or in person within three days of the incident. The district
 superintendent should also be notified.
- The Testing Irregularity Report (TIR) is to be completed within five days of the incident.
- If additional time is necessary, the reporting individual should call the State Assessment Director to request an extension.

Please respect student privacy

- DO NOT include any student's name anywhere on the report.
- DO NOT save the file by the student's name.
